1. This memorandum is for information only.	
called to refer to a story in today's HERALD To	RIBUME
queting a CP publication from Moscow, "Party Life," which contains an	
article by Herbert Aptheker, an American, which gives plans of the Co	munist
Party in our country to create riots, etccalled to get a train	nslation
of the whole article. In the next few days FDD expects to have the pa	STATOTHR
and will give me a translation for I pointed out	that
the first story on the "Party Life" article had appeared in the BALTI	PORE SUN
of 23 October 1959. He is checking with Ben Maddell of the Un-America	
Activities Committee) as to the Communist background of Aptheker. You	may
recall that about two years ago Aptheker did a book which contained a	nti-CIA
information (9 July 1957). At that time I stated in a memo to you the	e following:

STABLEY J. CROCAN Assistant to the Director
